**4-ID-JA inset letters:**

Letters are to be blind attached to individual angled aluminum per letter and mounted to top edge of Architectural ledge. (Please see attached updated Drawing detail).

**5-DIR-L:**

Metal structure to be bent of flat stock.

**QUESTIONS AND ANSWERS: ADDITIONAL CLARIFICATIONS:**

**1) Question:** Can we get a firm Permit cost from the City for this project prior to bid?

**Answer:** Bidders to determine Permit cost and include in their bid.

2) **Question:** Halo Lit main signs. What is the access to the back of the wall like? Are there any special needs with respect to the cable cover on the inside of the wall? Is it going to be visible from inside?

**Answer:** Bidders are encouraged to visit the project site and review existing condition and/or current information available from Okland Construction (On Site Contacts: Jesse Lee or Carlos Gonzales).

3) **Question:** Address Numbers. Only one small set is mentioned mounted on glass. Usually they are bigger and mounted top of building right and left. You might want to check with Development Services.

**Answer:** Bidders to provide a \$2,000.00 Allowance for Address Numbers.

4) **Pre-Bid Meeting Clarification:** Bidders to include alternate cost including, but not limited to equipment (i.e. boom lift), traffic plan & approval, permits to install exterior signs from street ~~as~~ in the event site construction should be complete by time exterior signs are ready for installation.

5) **Revised Itemized Bid Sheet** (Attachment 1A) with revised quantities indicated in this addendum, Alternate No. 3 and Address Numbers Allowance is attached.

6) **Revised Sheets for Attachment 5 Drawings:** Revised sheets to be replace original sheets in Attachment 5 are attached.

All other specifications, terms and conditions of the solicitation shall remain unchanged.

**Note: Please acknowledge your firm's receipt of this addendum in your proposal.**
